

# 3 Men & A Melody

**3 Men & A Melody** is a group that has been singing since 1991. The present mix of voices has been together since 1995, and it was during that year that **3 Men & A Melody** moved out of the ranks of Collegiate Competition. Since that time due to many great coaches, patient families, and hours and hours of nose-to-the-grindstone work, **3 Men & A Melody** became the Central States District Champion in 1998. After making it to the International stage for the first time in 2001, and after the dust settled, they found themselves 17<sup>th</sup> in the world of Barbershop quartets. This was an absolutely inspirational time for this quartet and a turning point for them as well. Then, for the following two years, 2002-2003, they were blessed to be one of the top 20 quartets in the world, and in 2004 they finished as a top 10 finalist quartet. They feel so honored and blessed to have this opportunity to represent this awesome hobby of barbershop singing.
